

Registering with Helmets to Hardhats On-Line

For Unions, JATCs, and Contractors

As a trade union, JATC, or contractor, Helmets to Hardhats can connect you with military service veterans, National Guard, Reserve and transitioning active-duty military members looking to pursue a career in the construction industry. By creating an on-line account with Helmets to Hardhats you can:

- ✓ Post career opportunities that proactively go out to veterans interested in the construction industry.
- ✓ Search and identify qualified veterans in the Helmets to Hardhats database.
- ✓ Manage all your career opportunity postings on-line, including applicant status, letters, and more.

To get started, follow these 6 easy steps:

1. Go to <http://www.helmetstohardhats.org>

2. Click the last tab at the top marked 

3. Click the button marked 

4. You will be taken to a screen requesting basic information. Please fill out all of the items that apply. You **MUST** fill in the items marked with a red asterisk.

5. Once you have read the “Rules of Behavior” check the box indicating your agreement and compliance, located near the bottom of the page.

I agree and comply with the Rules of Behavior as stated above.

6. When you have completed the form, click  to submit your request.

Your request will be reviewed at the national program headquarters in Washington, DC. If you meet the Helmets to Hardhats criteria¹, you will be granted access.

Technical assistance is available Monday through Friday at 877-H2H-8842 (877-424-8842) between 9:00 a.m. and 8:00 p.m. EST or by placing an on-line request.

NJ H2H staff is also available to assist you during normal business hours at H2H@njbctc.org or 732-499-7295.

¹ Helmets to Hardhats seeks to ensure that candidates are provided with wages and benefits allowing them to maintain an appropriate standard of living in the community where the position is located. The program also requires that entities posting opportunities participate in proven apprenticeship training programs that are registered and approved by applicable federal and state authorities.
